you made it, -
actually survived
even though you never went
to class. Oh well the first ~~from~~
you were all energetic. I guess
you just burned yourself out.
But there were some highlights. Such
as Sweden (to Sweden to much, like most of your
never did amount to much, like most of your
year) then there were those depressing moments
such as Belgium. Even better think about the
even a little of your year, Gin, mushrooms, speed, coke,
tell anyone about the latter. But of course we won't

David Stringham
SAE President

Whether backpacking in the mountains or skiing a trail, David has great respect for the world around him. He is sensitive to the feelings of others and shows a deep concern for all those he comes in contact with.

Susan Hansen

Susan is one of those delightful people that everyone likes to be with. She's excited about life and never lets an opportunity slip from her hands. A skier, a tennis player, and an all around sports person, she naturally excels in this area.

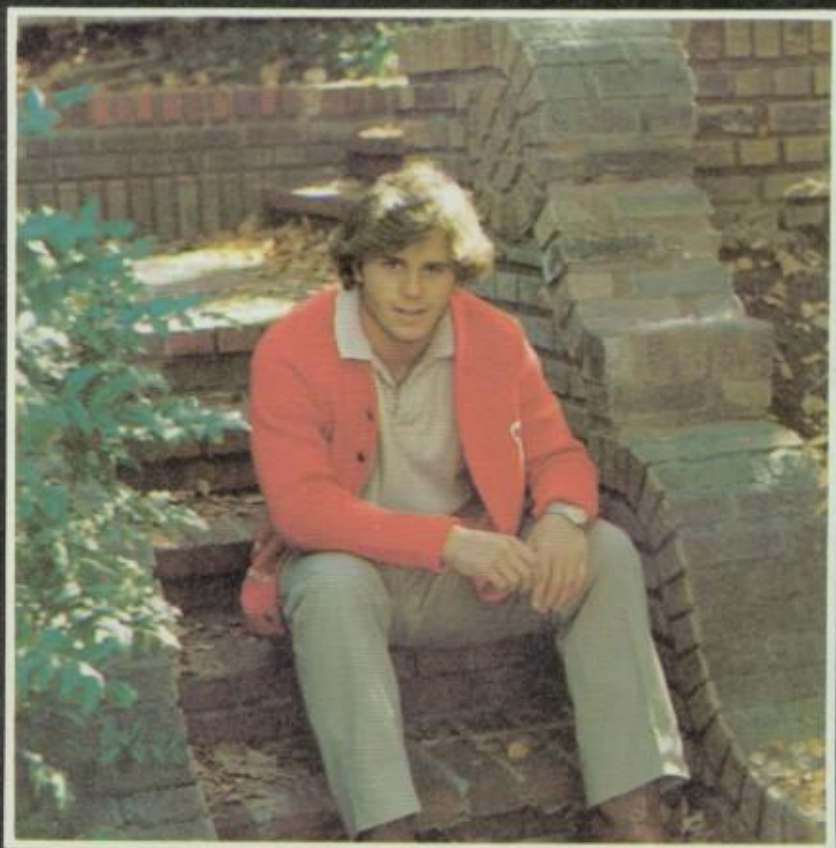

Katie Hughes

You'll never see Katie without a smile on her face. She seems to have the power to make even the gloomiest day bright again. Intelligent, sensitive, and talented, (the list goes on), Katie is clearly an all around number one.

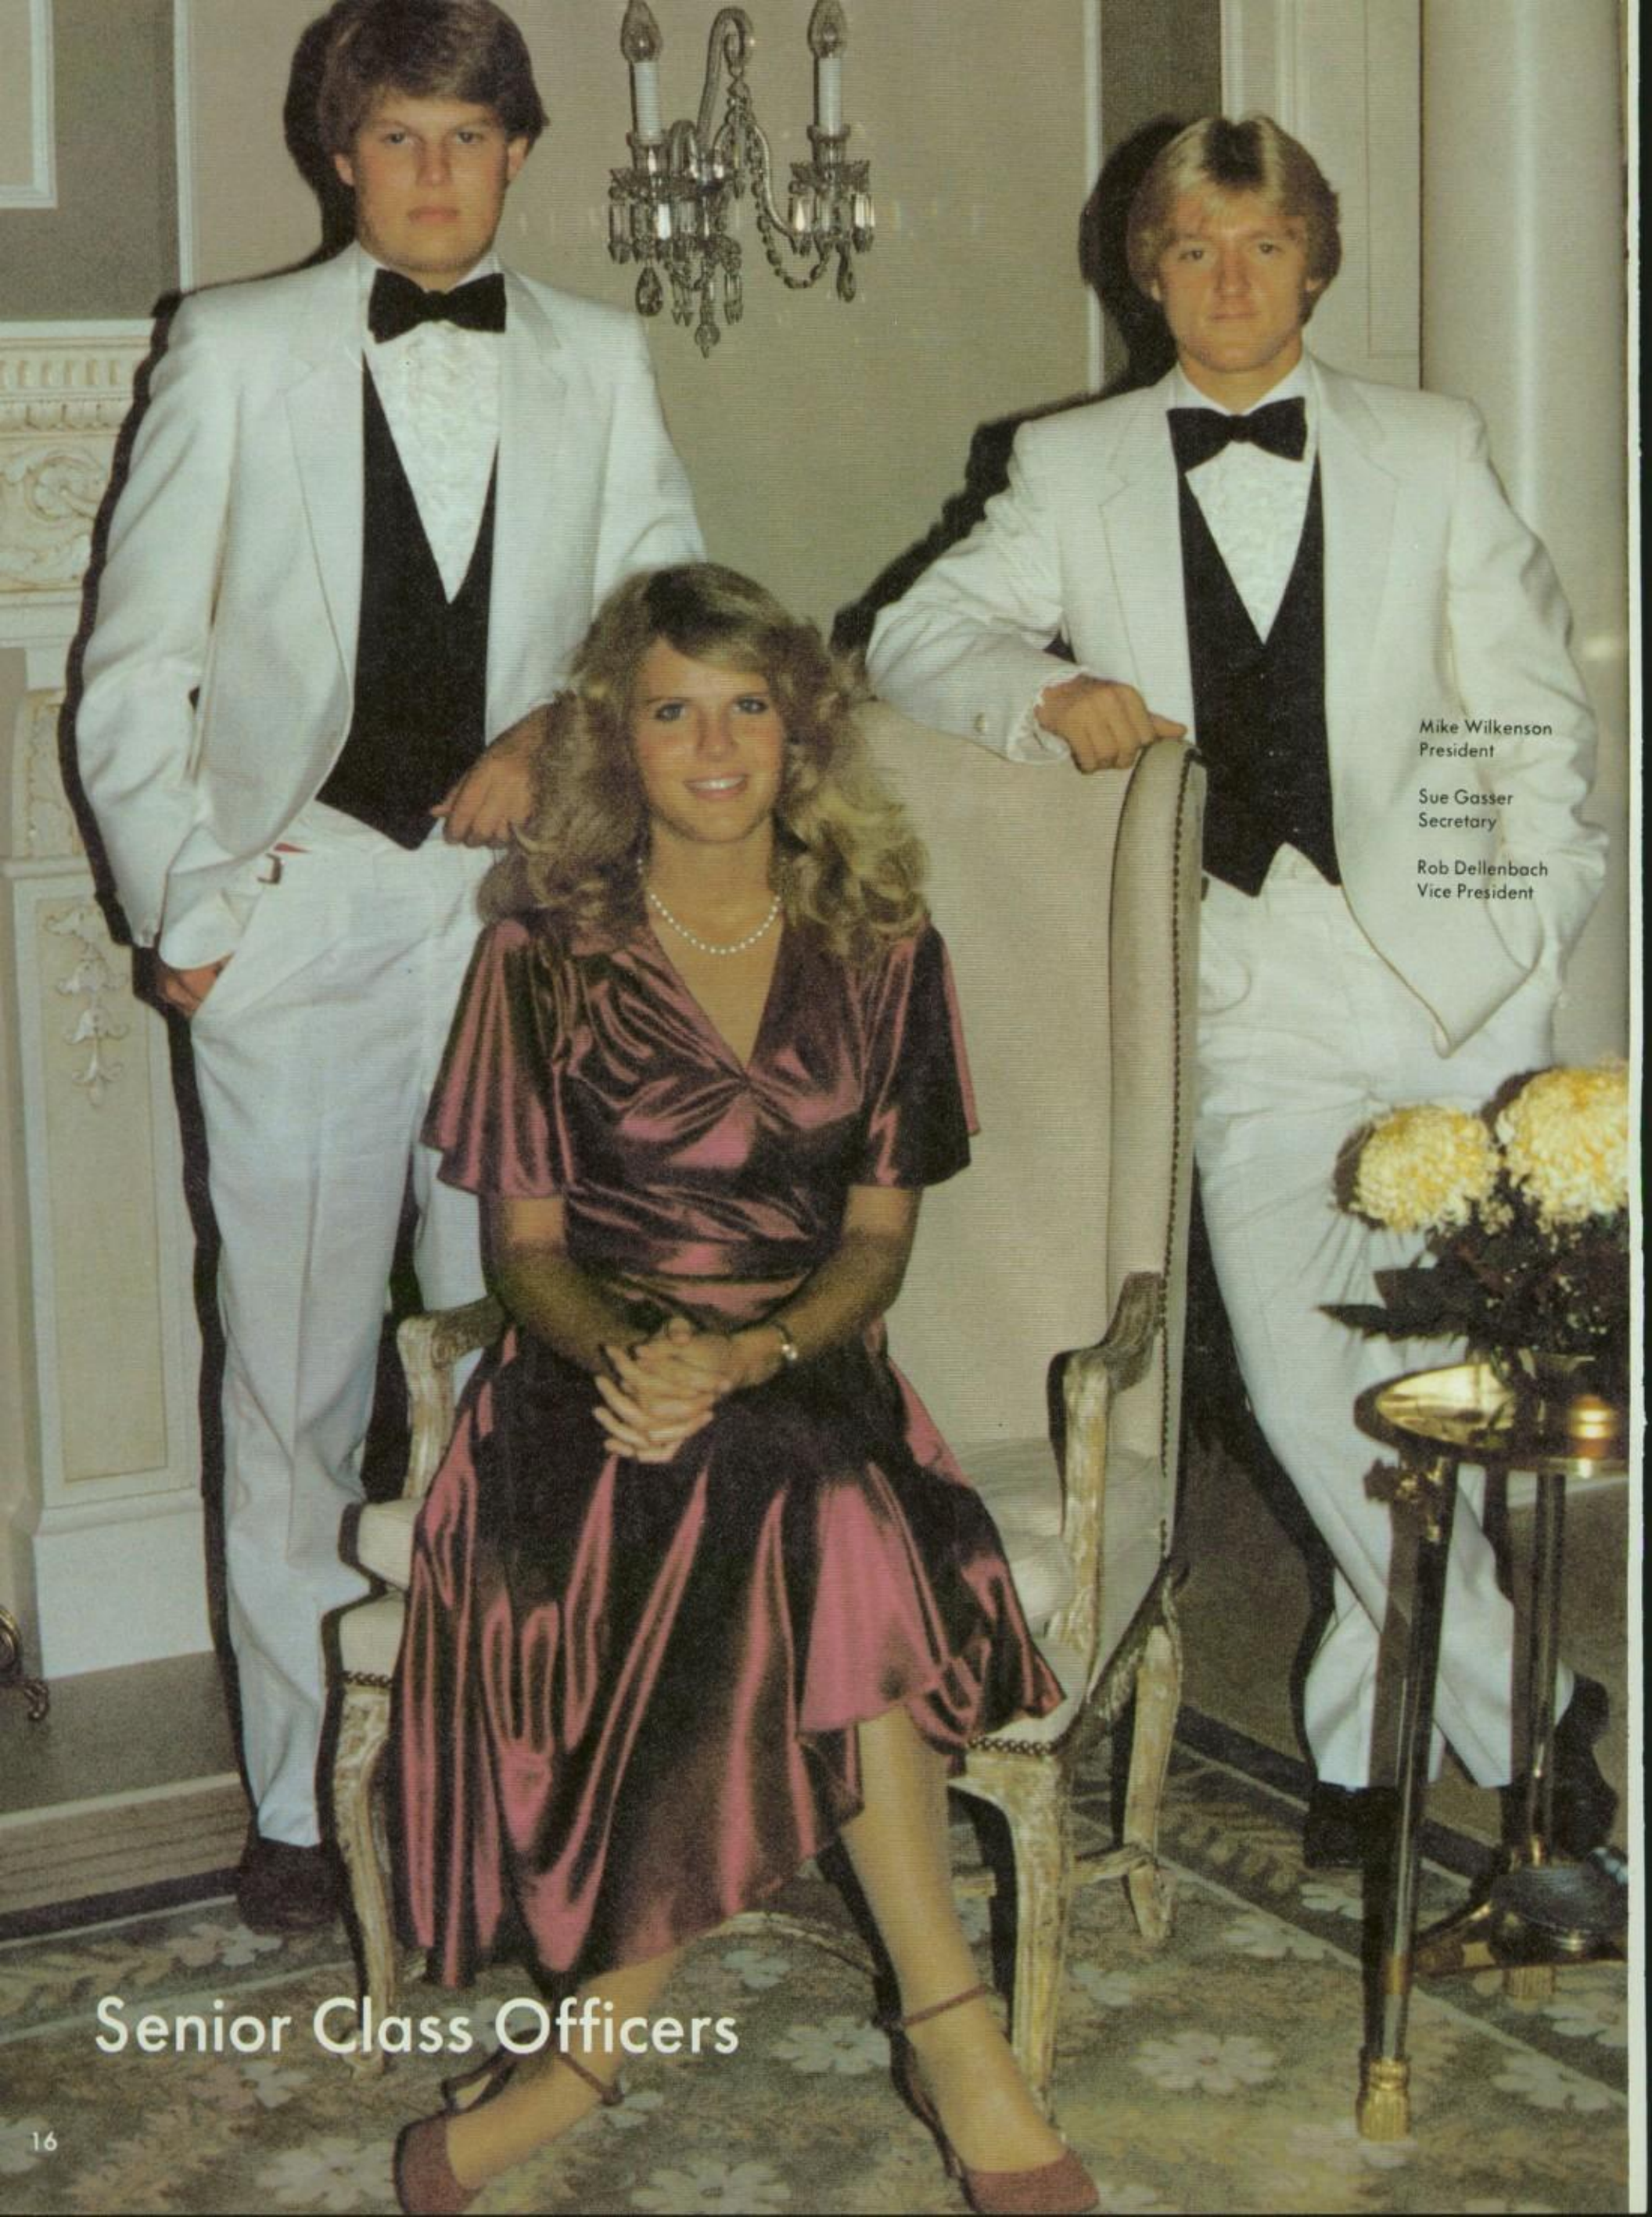

Mike Richards
SAE Vice President

This young man has a variety of interests. On a soccer field or engaging with the many responsibilities the office of Vice President brings, he always finds the time to be with his family and friends. Mike has a sense of confidence about him. Character and integrity are only a very few of his most admirable qualities.

Vern Cooley
SAE Business Manager

On the football field he's rough and tough, but off it he's sensitive and friendly. Though he lost the election, he kept his head up high and wore a smile on his face.

Administration

Since its beginning in 1912, East High has produced students who have excelled in many areas. The many hundreds of students attending East over these years have established traditions — one being a tradition of excellence. This year is no exception. Many of you have achieved far above those standards we have set for you. It is my desire that you continue to excel and that you, too, will be proud to say, "I am from East High."

Robert DeVries

Administration

Another year and another fine yearbook. As we look at the yearbooks from the past years you can easily see the history of East High in pictures and in verse. Students, faculty, and staff change, but the spirit, the traditions, and the accomplishments continue to grow and multiply. No doubt this is what has led people to say "East High will never die." Carry on.

Vadal Peterson

East High School offers a wide variety of programs and courses that help to individualize education. The opportunities for each student to get the best education from the four years at East are excellent. We at East want every student to be proud of going to our school not only now but also as the student looks back in years to come.

Dearest Mike,
God, this year has been
a kick! Those times we went
to the Roxy, and our little
dance that so scandalized
the East High "Oh my heck"
girls - it's been a riot! I'll
always remember Old Lady
House and Belfast - I wonder
what will become of those
marvelous buildings? I'm
sure you'll have a marvelous
time this summer, next
years. Please - keep in
touch - we'll be so close
next year at school.
Thank you for your friend-
ship, the memories.

Love,
Wendy

Let's face it, I'm drunk and feeling great - I don't need to go to the bathroom. What can I say that is worthy of your twisted mind and the whole damn twisted year? When you get back from being a People's Revolutionary in Spain, give me a call and don't forget to visit me in Vena! (I may have a new job in the mountains.)

WE ARE THE SWEDES!!!!!!

Ammendment;

I read what you wrote in my book last night and I was very touched. I now realize how shallow the original message was. Sorry, you have to forgive me because I'm not very good at expressing myself. I cannot really tell you how much our experiences this year have meant to me. I'm really not pro-platonic but rather anti-romance - please remember this when you are impatient. I had

you so much for helping me have fun
and bringing out my "self" this year.

Acid soon, no? I'm leaving Tuesday -
but I may be back next weekend to dance
to the 'tunes' of 004. Cat (cheves)

WITHIN THIS TINY SPACE I AM SUPPOSED TO CONVEY
TO YOU HOW SWEDISH YOU ARE AND HOW MUCH I
LOVE YOU. AN IMPOSSIBILITY. I CANNOT GO INTO
THE LENGTHLY PRIVATE JOKES—TOO MANY.
BUT I WON'T BE THERE. SWEDEN FOREVER, YOU
CRAZY BOY! (FUCK.) YOU'RE TOO SWEDISH. IT PANGS
ME, KIDDO. MAKE ME A PROMISE—DON'T HAVE A
HASTY NARRATIVE JUST TO SPITE ME BECAUSE I
NEVER TOOK THE STEPS TO BE CLOSER TO YOU.
AND ATHLETES AND ANDRUMY AND NOT TOO MUCH
HERE, THAT'S INSIDE MY HEAD, CHILD. BE BLESSED
NEVER THE LESS. (NO POLITICS NOW, WE DON'T
DESERVE TO PUNISH EACH OTHER.) LANA LOVES
YOU, TOO, SWEDIE. BUT, KIDDO—YOU'RE "SOMETHING
ENIGMA"!

Love Always Sweetie-

A STORY:

Once there was a little girl

She was sad because she was french.
a Nord said:
She took a knife and

But the true
Swede said:

"Don't play with knives
little girl because when little girls play with knives
the get cut and when little girls get cut, they bleed
and when little girls bleed, they die and when little
girls die THEY STINK."

So, the Swede shot the
french girl and the Nord and
had them incinerated together.

You KNOW what it means!
Have a great life ~~come~~ ~~you~~

Mike,
Your so damn lucky!
Your graduating!
Your whole life is ahead of you!!
Congratulations!
Boom Vaserla! (You know!)
Neat-o
~~Neat-o~~ Good Luck in your

Smiley.

Thornum's class wasn't really
that bad. But maybe she
got masochistic & traits so
that's why I stayed. I know
I've gotten bitchy with you at
times, but ~~it~~ it hasn't been
seriously directed towards you.
You're really a great friend, we've
known each other for years. I
really think you're cool. Just
the word of advice (which
I'm sure you've heard many
times, and I have the same
problem myself) STOP
PROCRASTINATING!

Yup, uh, huh
TRICIA!
